Please join us for our 24<sup>th</sup> Annual Golf Classic. This Tournament will be especially welcomed after the year we came off. This event is held each year to have fun, but also support our scholarship programs. The Maine Chapter APWA relies on your support and generosity to help fund our University and Community College scholarship programs. The scholarships we give out will help to put some new blood into the Public Services bloodstream.

We want to thank you again for your past support and would like to invite you back for this year's event. If you have never been, please join us and make some great contacts. Again we will be having burgers, hot dogs, drinks, etc at the turn and hors d'oeuvres at end of the tournament.

Your hole sponsorship helps to defray the costs of the barbeque, trinkets and awards and is not meant to add to our organizations finances. Any money left over from the event goes toward MCAPWA's two scholarship endowments and allows us to give out \$500 to \$1000 in scholarships each year. Your contribution of **\$350.00** would allow you to send two players to the tournament and place a company sign on a hole. You may send additional players for **\$80.00** each. Please make checks payable to MCAPWA and send to Michaela Skelton, Ransom Consulting, LLC, 400 Commercial Street, Suite 404, Portland, Maine 04101. Fill out attached player registration form, if applicable.
