

The Brunswick Sewer District is seeking a safety oriented and experienced senior operator for its collection and pumping division. The selected individual will be a hard-working team player who is willing to learn on the job and is not afraid to get dirty. **Prior experience using CCTV sewer line inspection equipment and sewer line cleaning experience is preferred.**

The Brunswick Sewer District offers a competitive salary and benefits package. Starting pay is \$23.52/hr but is negotiable based on experience. The typical work week is Monday-Thursday 6:30 to 4:30 with a rotating on-call schedule of once every 5-6 weeks.

Position is open until filled. The hiring process is expected to begin mid-April.
