## **PUBLIC WORKS DEPARTMENT EQUIPMENT OPERATOR I**

The City of South Portland, is currently seeking an Equipment Operator I to join the Public Works Team. This position is a full time, year-round, benefits-eligible Union position with a rich benefits package.

This position is responsible for safely operating a variety of construction equipment requiring specialized skills, such as light-to-medium rollers, skid steers, curbing machine, sidewalk paver, sidewalk machines and all associated attachments, along with a variety of vehicles including pickup trucks, 3-axle dump trucks, and plow trucks. This position also requires various manual labor tasks associated with Public Works operations.

Equipment operators are responsible for safe, efficient operation of trucks including performing preventative maintenance tasks and making minor repairs and adjustments on the vehicles. Drivers must have skills in handling controls for starting, stopping, backing and judging overhead and side clearances, turning radius and braking distances. Knowledge of safety rules and regulations for moving vehicles are of utmost importance. Some knowledge of methods used in such laboring duties as repairing shoulders, hard-surfaced roads and sidewalks, constructing parking areas and walkways, cleaning, and roadside debris collection. Must be a team player willing to cooperate effectively with supervisors, co-workers and outside contacts. Work will be performed in a variety of weather conditions. Must possess a Class B CDL or have the ability to obtain within 6 months.

The City of South Portland offers competitive pay and a robust selection of employee benefits, including an excellent health plan with affordable family coverage, generous matched retirement options, dental, vision, life, income protection, and long-term disability insurance options, flexible spending accounts, a full complement of paid time off, and more. The City also offers “payment-in-lieu” of health insurance, tuition reimbursement, an acclaimed wellness program, and professional development opportunities.

The City of South Portland is proud of its talented and dedicated workforce, provides employees with strong leadership; stability; a positive, family friendly workplace; and the

support, encouragement, and tools for successful careers. Come join our team dedicated to service excellence!

**Applications will be accepted until Wednesday, July 8 at 4:30pm.**
